

Membership Form for Supporting Members of the Luxembourg Philharmonic Orchestra Academy

The LPOA was founded with the mission of preparing young musicians for a career as professional orchestral players after their graduation from a music conservatory, through a two-year, certified post-graduate course of training giving participants the status of regular employees. The programme includes intense mentoring and complete integration within the Orchestre Philharmonique du Luxembourg as well as customized workshops and coaching sessions.

The first class of the Academy will complete the programme from September 2021 to July 2023.

As a supporting member of the LPOA you will be fostering the education of talented young musicians and the development of the Academy itself. You will receive information about the activities of the charitable association and will be invited to the annual members' assemblies, during which your vote will help shape the Academy's future.

Name:

First name:

Address:

Postal Code / City / Country:

Email:

I would like to become a supporting member of the asbl Luxembourg Philharmonic Orchestra Academy.
I agree to pay the sum of 100 € by wire transfer to the account LU24 0030 2024 4843 0000.
